Pair of cottages. Late C17, remodelled in mid- to late C20. Rendered, probably on to timber frame, with C20 brick plinth, and slate roof. Probably 3 framed bays. 2 storeys. Plinth, and brick ridge stack off-centre to right. C20 casements, 3 on first floor and 4 on ground floor; 2 boarded doors with bracketed gabled hoods, one to left and one between second and third windows. Repaired rendering suggests that the right-hand door has been moved slightly to the right. Interior: substantial remains of timber frame, including square-panelled partition wall.
